”

**Vrisini Infotech** designs creative websites for people, companies and organisations, that inspire us to just be ourselves.

**#imaginative, #creative, #effective**

# CMS website on **CONTAO** in one day.

*Yes, just one day!*

*One amazing, immersive, creative, collaborative day.*

Your business or organization needs a website. You know what you need the site to do for your business. You know the work you're doing inside and out. But you don't have the time or inclination to DIY a website. And you don't have the budget for a long, drawn out custom website development process. Not to mention the fact that you'd really love to be able to edit your site yourself. Easily. Without a huge learning curve.

The Vrisini **"One Day Website"** is for you! This isn't a partial, almost website or a glorified template. The **"One Day Website"** are fully functional, custom-designed websites built efficiently and collaboratively.

At **Vrisini Infotech L.L.P** we have blown up the traditional way of building websites and rebuilt it to fit small businesses and grassroots organizations who need things to be simple, beautiful, and affordable.

A stunningly beautiful, professional website is the ideal foundation for grassroots initiatives and world-changing services. Together we can create your custom, collaborative website in as little as 1 or 2 days with budget-friendly i.e only 500,— Euro.

This isn't about being faster. ***It's about being better.***

# Every VRISINI “One Day Website” includes ...

## Undivided Attention

We dedicate your Build Day(s) to you and your project so we can work in real-time collaboration together.
